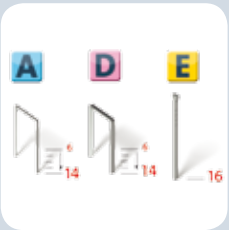
J-16

The large hand tacker with high-quality aBs plastic housing for general-purpose use.
Using the slide mechanism at the front, the tacker can easily be adjusted for using fine and flat wire staples. It also features bottom-loading mechanism with safety lock release, snap lock, lock-down handle, staple inspection window and belt hanger.

Article number	030-0390
EAN Code	4009729015599
Garantie	Novus offers a warranty of 2 years when handled in a proper manner.



Staple handling
The tacker works with fine wire staples and flat wire staples up to 14 mm length and nails up to 16 mm length.

Staple inspection window
The open staple channel shows how many staples are left in the magazine.

Lock-together handle
The tacker handle can be locked down when not in use or for storage.

Long nozzle
The tacker‘s narrow and long nozzle also permits precision stapling at poorly accessible places.

Impact adjustment
Guarantees the right impact power for every job, no matter whether you‘re fastening into hard or soft wood.
